

### REMARKS

Claims 9, 10, 19-21, 30, 31, 33, 35-39 and 43-49 are pending and were allowed.

Claim 19 is amended to correct a grammatical error. There would be no new matter introduced by the amendment because any one of R<sup>1</sup>, R<sup>4</sup>, R<sup>5</sup> and R<sup>6</sup> cannot be at the same time hydrogen, a C<sub>1-50</sub> hydrocarbon group, **and** a C<sub>1-50</sub> hydrocarbon group containing a hydroxyl, halogen, alkoxy or amino group. It would be apparent to one skilled in the art that “and” should be replaced with “or” in “a C<sub>1-50</sub> hydrocarbon group, and a C<sub>1-50</sub> hydrocarbon group containing a hydroxyl group” in claim 19.

Entry of the instant amendment is requested.

### CONCLUSION

In view of the above reasoning, applicants submit claims that all the pending claims should remain to be allowed. In the event that the filing of this paper is deemed not timely, applicants petition for an appropriate extension of time. The Commissioner is authorized to charge the petition fee and any fees that may be required in relation to the filing of this paper to Deposit Account No. 11-0600.

Respectfully submitted,  
Kenyon & Kenyon LLP
